

## Selected proverbs from the Twi language

### **ABOUT TUTORIAL**

Through the guidance of spirit, Kwame Adapa was able to distill over 3,600 ancient Twi proverbs down to fewer than 100, which together cover ALL aspects of the secular, spiritual, psychological and traditional facets of the culture of the Twi speaking peoples of West Africa. Kwame was further guided to extensively comment on each one of these selected proverbs handed down by the ancestors to the present generation, a collection which is in every way a modern-day rendition of the Ma'at of Ancient Kemet
